Foreword

Last week's results showed that while there is life there is hope, as Kenwick got up to take fourth position on the table. Congratulations Kenwick. Congratulations also to Kalamunda on their fighting win over Gosnells.

Kenwick were too strong and fast for Kelmscott and took the game right away from their opponents. In their present form they could shock several of the sides in the finals. Kelmscott may have been effected by the previous week's game and no doubt are very disappointed.

Kalamunda finished the season in a blaze of glory with their defeat of Gosnells and will definitely be a force in the competition next year. The loss could be a blessing for Gosnells as they must now realize that finals are different ball games.

Canning were quite impressive in their win over Armadale and no doubt are hoping for a good final series whilst Armadale although beaten should be proud of the improvement made in 1977.

Thornlie very nearly won their first game for the season, however Kwinana were too strong in the end. Both clubs must recruit heavily for next year.

Maddington crushed Mandurah and are running into top form and are very anxious to retain their title.

Mandurah like other clubs mentioned need to recruit several experienced players.

TODAY'S GAME:

Kenwick v Canning: Canning by 2 points in a very close one.

MIGHTY ROYALS

Last week we saw the last qualifying games of the season. The reserves won again and finished the 18 games without a loss. Remember fellas, you only have to win another two games to reap the benefits for all the hard work that you put in for the season. Kelmscott put up a spirited first half against us, but they seemed to run out of legs after half time. Our players were much fitter and more determined and the end result proved this. The Edna and Sonny Robins Award went to Darryl Ogg, who again had to carry the bulk of the ruck work by himself. The Supporters Award was won by Laurie Winfield, carrying on his good form from the previous week. The Mike Walker Award for the best back man was won by Wayne Off, and the Coaches Award went to Peter Hughes.

The league side has really rallied behind Fred Seinor over the past few weeks. Fred has set the example and the players have responded magnificently. We have not had a fantastic season as far as results go, but we proved that we are good enough to get in the four. Any side that can beat Kelmscott by 8 goals must be good enough to play in the finals. Thanks to the league for what they have written about us in the Gazette and the Press as this has given us the incentive to prove them wrong and also everybody who believed it. The Supporters Award last week was won by Gary Worthington. The Edna and Sonny Robins Award went to Ray Winduss, who had 26 kicks, 10 marks and 7 handballs. Norm Miller won the Mike Walker Award for his game in the back pocket. Kevin Wilson won the Mennen Award and Fred Seinor won a shirt from Mainardi & Co. for his terrific game. Fred picked up 26 kicks, 20 marks and had 8 handpasses.

Thanks very much to Mr. Bill Winfield for the oranges last week. They were very much appreciated.

Today our supporters are expecting a 100% effort, so let's get behind Fred and really show everyone that we are worthy of our place in the four and that we are a better team than the two that we slipped in front of.

HAVVA

THE TIGERS

Congratulations to our league side who as a result of 8 months solid training and personal application have qualified in today's strong S.S.M.N.F.L. competition to take their place in the first semi-final, with subsequent opportunity for a tilt at the 1977 premiership flag. Full credit to Senior Coach Ron Wilcox. Second Coach Terry Freemantle and co-selector Paul Polsen for the manner in which they have guided this year's side to today's game.

We wish them their fair share of luck and fine weather. Little else is necessary as given these factors the natural talent of this side can well account for today's opposition.

Interesting to note that three League teams in Kenwick, Kelmscott and Armadale tied for fourth position, Kenwick taking the spot on percentage. More interesting is that if the incident which resulted in Canning losing four points against Kwinana, namely the incorrect listing of a players christian name on the official teams sheet, had occurred not then but at last Sundays game against Armadale, then Armadale and not Kenwick would be our opponents to day. Perhaps the situation then would have been of more concern to some, it certainly would to Kenwick.

Directly following today's game members and supporters are all invited to a barbeque evening at the Cannington Hotel. A bumper evening is expected with music dancing all arranged. Let's hope we can celebrate an advancement to the preliminary final.

Our supporters Grand Final Incentive scheme is currently running at \$650, still far short of our target and all supporters are requested to bump this amount along as much as possible.

THE HAWKS

The unexpected defeat of our league side by a determined Kalamunda team last Sunday broke the Mighty Hawks undefeated run of the season. Kalamunda are to be congratulated for their fine victory and this should prove an invaluable lesson to our league players, never to take any side to cheaply.

The Reserves victory was outstanding with the winning margin of some twenty goals. Congratulations fellas — the teamwork was excellent.

The under 19's in their replay against Kelmscott went in to the game with only one aim in mind and to win at all costs. This they did in magnificent fashion and annihilated the opposition by sixteen goals. Without singling any player out for special credit, it was a truly creditable team effort and one which coach Lex Howden is thrilled about. Keep up this attitude and dedication in your next encounter and the premiership will be the big reward.

SOCIAL: The Under 19's Wind-Up will be held at the clubrooms on 10th September, commencing at 7.30 p.m. There will be a top band and buffet supper with sweets and coffee are provided. Tickets are only \$7 a double and are available from Keith Davis, Basil Pink and Neville Barry. Members parents and friends are all welcome to make this night the success it deserves.

TALK OF BULL

Last week saw both teams record comfortable wins against the Seaside. Firstly, in the league, the team played well only in patches and a full effort will be required if we are to beat Gosnells in the 2nd semi-final next week. Players to stand out last week were Noel Knight (9 goals from half forward flank), Rod Quayle, (tigerish in back pocket), Dennis Cometti, Steve Jancey, Leon Henry were other players worthy of a mention.

The Reserves again produced 4 quarters of sustained football and this all goes well for today's clash against Kelmscott. Players to stand out in a good team effort were, Jimmy Holroyd, Mark "Doc" Platell, Vince and Julien Slavin. Alan Riley made a welcome return with 7 goals to his credit.

Today's game will require 100% effort from all players selected if we are to progress to the preliminary final.

SOCIAL:

1.30/8/77 Sportsman Night to be held at club and the cost being \$10.00 which covers your meal and drinks. One of the panelists will be Ross Edwards — Ex. Test Cricketer.

THE BULLDOGS

In the last game for this Season saw a determined Royals side run out comfortable winners in the league match and in doing so, cost us a place in the final four. League Best Players: Kim Turner, Ross Bradley, Kim Barrett, Brian Andrijich. Although beaten the Reserves performance last Sunday showed they will worry all other sides in the finals. Best of luck today from all of us. Best Reserves players (whole team).

18's/ A replay of the 2nd semi-final saw a lack of attitude and consequently they were thrashed by Gosnells. Coach Turner has his work cut out trying to solve the problems of his charges and get them back on the track with the right frame of mind. If he can accomplish this there is no doubt they can go on to win the flag.

In conclusion I would like to thank all other kindred clubs for their support at our home games and congratulate Gosnells, Maddington, Canning and Kenwick for making the final four. These fine sides will provide exciting football over the next four weeks. To all our friends and supporters and the many people behind the scenes who together make our club great — a sincere thank you. Finally let me assure you the reader that Kelmscott's 1978 season started last Sunday and the fella's won't rest until our clubrooms are decked with pennants.

2. Beef & Burgundy night on the 2/9/77 at the club at a cost of \$2.50 per head. Your full support for these functions is required.

At this stage of the season special thanks must go to Mrs Slavin and Jeanette Bullen for the caring of the guernseys each week and to Clem Naylor and John Newman for the tedious job of time keeping. Thanks very much.

Merv Parkin's wife Barbara presented him with a little girl, early last Sunday morning. Congratulations to you both.
